**CISS240: Introduction to Programming
Quiz q1003**

Name: _____   Score: _____

This is a closed-book, no C++ compiler, 2-minute quiz.

Q1. Complete the following code fragment below so that it produces this output:

```
100 101 102 103 104 105
```

ANSWER:

```
for (int i =            ;             ;            )
{
    std::cout << i << ' ';
}
```

Q2. Complete the following code fragment below so that it produces this output:

```
0 0.2 0.4 0.6 0.8
```

ANSWER:

```
for (double x =            ;             ;            )
{
    std::cout << x << ' ';
}
```

Q3. Complete the following code fragment below so that it produces this output:

```
50 40 30 20 10 0
```

ANSWER:

```
for (int i =            ;             ;            )
{
    std::cout << i << ' ';
}
```
